

ANTI-SOCIAL BEHAVIOUR IN MARPLE

Cllr Kenny Blair has been in contact with senior officers at GMP Stockport regarding the issues around the Hollins in Marple.

■ They have advised Cllr Blair that this area will feature in a patrol plan from August onwards where a team of dedicated officers are deployed specifically to deal with youths gathering / anti-social behaviour. Officers will take positive action at the scene to address such issues.

An Officer will also be attending the next **Marple Area Committee meeting on Wednesday 27th September, 6pm,**

at Marple Senior Citizens Hall where he will introduce himself and where residents can discuss any concerns they may have.
