HANNAH SNEDDON – A STRONG, INDEPENDENT VOICE STANDING UP FOR YOU

Hannah is committed to representing the community by attending the many local community groups, joining in with local events and holding meet and greets to hear local residents opinions, ideas and complaints, helping them resolve any issues.

Hannah has prepared a 10 point plan to ensure that Marple, Rose Hill, Mellor, Marple Bridge, Mill Brow and Compstall are improved for local people. The local Conservative team are

working hard at the Town Hall all year round, by being a strong opposition to the ruling Labour group and defending local Adult Social Care spending – where the Liberal Democrats wanted to reduce the budget by £1 million.

A vote for Hannah is a vote for our area. A positive, strong, independent voice who will put the residents first every time.

WELCOME BOOST TO TACKLE POTHOLES

Hannah welcomes the extra £100 million released by the government to repair potholes and other storm damage caused by the recent winter weather. This money will repair almost 2 million potholes and is in addition to the £75 million and £46 million already released from the Pot Hole fund.

Hannah says the roads in Marple North have been particularly badly affected by the recent snow and freezing conditions and encourages residents to report potholes via the Stockport Council web site.
